

Notification of Graduation Requirement

Students and Advisors,

The Doctor of Philosophy Program in Management's graduation criteria states that a part of the research must be published in international academic journals recognized by Ministry of Higher Education Science Research and Innovation (MHESI). So saying means academic journals listed in the following databases:

- 1.ERIC
2. MathSciNet
- 3.Pubmed
- 4.Scopus
- 5.Web of Science (only in SCIE, SSCI and AHCI)
- 6.JSTOR
- 7.Project Muse

Hence, any doctoral candidates can start their graduation request process once they have a part of their theses published in such journals. Please be reminded that after the thesis defense committees' approval, all documents and all the backed- up documents must be proceeded to the university's postgraduate academic quality committee's approval then to the university council.

It is strongly advised to both the students and their advisors that adherence to the regulations and criteria would result in smooth graduation process.

Asst. Prof. Dr. Jirawan Deeprasert
Head of Ph.D. Program
